#### CLAUSES

This document refers only to the above Directive and following amendment. The requirements on a certain characteristic are not applicable in those Member States where there are no regulatory requirements on that characteristic for the intended end use of the product. Any modifications made to the models without Istituto Giordano approval could invalidate the statement. This document is issued on the basis of a voluntary request. This document only refers to the specimen or material submitted to test. This document cannot be partially reproduced without written approval of the laboratory. For the purpose of CE marking other tasks required by Annex ZA of the product standard have to be carried out by the manufacturer (i.e.: FPC, issue of EC Declaration of Conformity...etc).

This document consists of 1 sheet.
